

**Schemes & Services Implemented by
Directorate of Agriculture
Government of Goa**

| Sr. No. | Type of Assistance | Criteria for assistance | Name of the Scheme & Component (CENTRAL/STATE) |
|-----------------------------|-----------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------|
| HORTICULTURE Schemes | | | |
| 1 | Assistance for cultivation of coconut with local tall varieties. | Rs.50,000/- per ha.@ 160 saplings/ha. in two yearly installment.min. area 0.1 and max 5ha . | Development of Horticulture & Coconut Development Board (CENTRAL & STATE) |
| 2 | Assistance for cultivation of Banana, Pineapple & Papaya. | 75% subsidy, Rs. 1,20,000/-per ha. Min. area 0.1 ha and Max.4.0 ha. In two installments of 75:25 . | Development of Horticulture & National Horticulture Mission (CENTRAL & STATE) |
| 3 | Assistance for cultivation of Flowers i.e. Bulbous perennial / cut flowers | 75% subsidy, Rs. 1,20,000/ha. Min.0.05 and max. 4ha. cultivated by individual or SHG of two installments of 75:25. | Development of Horticulture & National Horticulture Mission (CENTRAL & STATE) |
| 4 | Assistance for cultivation of Loose flowers | 75% subsidy Rs. 75,000/ha. Min. 0.05 and max.4ha. Cultivated by individual or SHG. | Development of Horticulture & National Horticulture Mission (CENTRAL & STATE) |
| 5 | Assistance for cultivation of fruits and spices, Mango, Chickoo, Nutmeg, Cashew, Kokum, Guava, etc. | 75% subsidy, Rs. 60,000/ha. Min.0.1ha Assistance is provided in three installments 60:20:20. | Development of Horticulture & National Horticulture Mission (CENTRAL & STATE) |
| 6 | Assistance for replacing old deceased senile cashew trees with planting of new grafts. | 50% subsidy limited to Rs. 20,000/-ha. | Rejuvenation/Replace of senile plantations under National Horticulture Mission (CENTRAL) |
| 7 | Assistance to farmers to grow local & hybrid varieties of vegetables. | 50% subsidy on cost of vegetable seed and 75% on vegetable seedlings sold through Departmental outlets . | Development of Horticulture (STATE) |
| 8 | Distribution of Fruit plants to households for Homestead Garden. | Fruit plants worth Rs. 1.5 lakhs per constituency . | Development of Horticulture (STATE) |
| 9 | Assistance for Development of Kitchen Gardens. | Vegetable Kits worth Rs 5000/- each will be provided to any school/ college/ educational institute having area for cultivation with available fresh water. | Development of Kitchen Gardens.(STATE) |

| | | | |
|----|--------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|
| 10 | Assistance for cultivation of Hy.Coconut saplings/ Dwarf.. | 50% assistance limited to Rs.150/-Hy. Coconut saplings, Min.0.1 ha for planting and 0.05 for rejuvenation. | Assistance for Hybrid Coconut Seedlings.(STATE) |
| 11 | Local Vegetables Seed Production Programme. | Local Vegetable Seed Production on minimum 0.05 ha will be taken up on farmers field and will be purchased by Department at prefixed rate. | (STATE) |
| 12 | Assistance for Plastic Mulching. | Plastic mulch of 25 to 50 micron black or white purchased within or outside the State will be assisted @ Rs. 12,000 / ha (75% assistance). Individual farmer SHG/ community farming project will be eligible Maximum -- 4 ha . | (STATE) |
| 11 | Assistance for cultivation of fruits & Vegetable in Poly houses/Shade net houses. | a) Subsidy on structure 100% limited to standard cost Max.0.4 ha. and min. 100 sq.mts per beneficiary. | Assistance for Protected Cultivation / National Horticulture Mission (CENTRAL & STATE) |
| | | b) Subsidy on planting material 50% limited to standard cost. | National Horticulture Mission (CENTRAL) |
| 12 | Assistance for cultivation of Vegetables. | a) Rs.80, 000/- per ha for development of Infrastructure for cultivation. Max 5ha for SHG's and 1ha for individual. Implemented through Goa State Horticultural Corporation Ltd. (GSHCL) | Assistance for Vegetable Cultivation by Self Help Groups/Individuals. (CENTRAL & STATE) |
| 13 | Assistance for developing mango Orchards as a Commercial ventures in rocky areas and normal lateritic soils. | Assistance up to Rs 2.0 lakhs for rocky areas and Rs. 1.0 lakhs for normal lateritic area plantations with a spacing of 8 x 8 to 10 x10 mts. Minimum area 0.5 ha and Max. upto 5 ha. | Development of Mango orchards on Commercial lines. (STATE) |
| 14 | Assistance for Bee keeping for Honey Production . | Subsidy of 75% for General farmers limited to Rs.2.07 lakhs and 90% for ST/SC farmers limited to Rs. 2.48 Lakhs. | Promotion of bee keeping for honey production. (STATE) |
| 15 | Vegetables are procured and sold at Outlets/kiosks at pre-fixed rates. | GSHCL procures vegetables from farmers produced locally at prefixed rates. | Promotion of vegetables with assured market GSHC Ltd. (STATE) |
| 16 | Cutting of Old Senile , unproductive Coconut trees. | Assistance of Rs.1000/- per tree, max. for 32 trees . | |
| 17 | Replanting of Coconut saplings . | Assistance of Rs. 40 per sapling, max. for 40 saplings . | |
| 18 | Integrated Management of Coconut gardens . | Organic manure / fertilizer worth Rs. 8750/- per ha. for two years . | |

| | | | |
|----|---------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------|
| 19 | Training to young youths for climbing on Coconut Tree . | Batch of 20 participants (young un employed youth) are trained for 6 days . | Coconut Development Board (CENTRAL) |
| 20 | Laying out of Demonstration plots . | Organic manure /fertilizer worth Rs. 17500/- per ha. for two years . | |
| 21 | To create awareness on coconut cultivation . | State level Seminar for 200 farmers . | |
| | | District level Seminar for 100 farmers | |
| | | Block level Seminar for 50 farmers. | |
| 22 | Raising of Coconut nursery. | Rs. 32/- per sapling are provided towards cost of raising seedlings of which RS.16 from Coconut Development Board and Rs.16 from State Government (50:50). | Coconut Development Board (CENTRAL) and STATE |
| 23 | Coconut Palm Insurance . | The age groups of 4 to 60 years are eligible to get insurance coverage against natural perils leading to death / loss of palm becoming unproductive. The premium for the category of palms belonging to the age group of 4 to 15 years is Rs. 9/- and 6 to 60 years is Rs.14/- per tree. The insured amount for the corresponding categories is Rs. 900/- and Rs.1750/- respectively. | Coconut Development Board (CENTRAL) |
| 24 | Assistance for Organic manure units . | The pattern of assistance has been worked out @ ` 40,000/- average per unit. Max. assistance is `60,000/- towards 100% of the cost for unit of size 1200 cubic ft. (dimension 60 ft X 8 ft X 2.5 ft or two units of 30 ft X 8ft X 2.5 ft.) with production capacity of 80 tons per year in 4 cycles and of permanent structure and to be administered on pro-rata basis. Smaller units can also be promoted and the minimum volume shall be 150 cubic feet (dimension 15ft. X 5ft X 2 ft) with production capacity of 10 tons/ year in 4 cycles and financial assistance may be reduced accordingly. | Coconut Development Board (CENTRAL) |

| | | | |
|----|----------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------|
| 25 | Integrated Post Harvest Management . | Pre cooling unit , mobile pre cooling unit , refer vans , ripening chamber, primary mobile minimal processing unit, static / mobile vending card with cool chamber are assisted from 35 to 50 % of the standard cost. | National Horticulture Mission (CENTRAL) |
| 26 | Promotion of farmers producers organization / FIG. | Assistance of ` . 5 lakhs is provided for formation of FPO/FIG. | National Horticulture Mission (CENTRAL) |
| 27 | Availability of Horticultural planting material . | Planting material of various horticultural crops is available for sale at different departmental farms at Kalay-Sanguem, Codar- Ponda , Ela- Old Goa , Dhuler- Mapusa , Dhawe - Valpoi and Kawlegbag – Pernem on payment . | Government farms |

IRRIGATION Schemes

| | | | |
|------|----------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------|
| 1 | Assistance for digging & construction of Irrigation well . | Minimum area of 0.125ha with 0.1 ha net area under crops 75% subsidy on standard cost limited to Rs.2.0 lakhs for open well and ` 1.5 lakhs for Bore well . | Assistance for Digging and Construction of irrigation well (CENTRAL & STATE) |
| 2(a) | Assistance for installation of new Pumpset, replacement of existing pumpsets with upgradation of irrigation system . | Min. area of 0.125 ha with 0.1ha net area under crops 90% subsidy on standard cost for pumpsets upto 5 Hp and 50% subsidy for pumpset above 5 HP. | Assistance for Creation of Irrigation Infrastructure (CENTRAL & STATE) |
| (b) | Assistant for replacement of old pumpset. | 50% subsidy on standard cost. | Assistance for Creation of Irrigation Infrastructure (CENTRAL & STATE) |
| (c) | Assistance for pumpset above 5 HP . | 50% subsidy on standard cost. | |
| 3 | Assistant for laying pipes to carry water from the source to the field . | Min.0.125ha with net area under crops 0.1ha. 50% subsidy limited to Rs.20,000/ ha and maximum of Rs 1,00,000/- per farmers. | Assistance for Water Conveying Pipeline. (CENTRAL & STATE) |
| 4 | a)Installation of drip irrigation system. | Min. area of 0.125ha with 0.1ha. net area under crops. 90% Subsidy on standard cost limited to max. avg. costs approved.. | Assistance for Sprinkler & Drip Irrigation Systems |

| | | | |
|-------------------------------------------------------|---------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------|
| | b) Installation of sprinkler system. | Min. area of 0.125ha with 0.1ha. net area under crops. 75% Subsidy on standard cost limited to max. avg. costs approved. | (Micro Irrigation). (CENTRAL & STATE) |
| 5 | Assistance to create water storage facilities. | Minimum 0.125ha with net area under crops of 0.1ha Cost of construction or actual cost restricted to Rs. 2000/- per m ³ and 50% subsidy thereon, with Max. limit of Rs. 1,00,000/-. Minimum size admissible is 15m ³ and Maximum 100m ³ for water storage structure/ pond. | Assistance for water storage Tank. (CENTRAL & STATE) |
| 6 | Assistance for HDPE / UPVC Water Storage Tank. | Minimum area of 0.05 ha to 0.15ha under vegetable or seasonal flower cultivation 50% subsidy on actual cost limited to maximum `3500/- per thousand liter water storage tank. | Assistance for HDPE / UPVC Water Storage Tank (STATE) |
| 7 | Support for farmers to get an assured price for Arecanut sold to registered traders. | Rs.170/- kg. limited to Rs.20/-per kg. for <i>Supari</i> category, Rs.120/- kg. limited to Rs.10/- per kg. for other categories. Min.50 kg and Max. 6400 kgs / Year / farmer. | Assured price for Agriculture produce. (STATE) |
| 8 | Support for farmers to get an assured price for coconut sold to registered traders. | Difference between Assured price of Rs.12/ and Average rate fixed, as notified by GSAMB. Average min. rate will not be less than Rs. 6/-, whichever is higher, will be considered. Max. Assistance is 50,000 nuts, up to 5 ha. and Min. 500 nuts with a limit of Rs 3, 00,000/Year / farmer. | Assured price for Agriculture produce. (STATE) |
| 9 | Support for farmers to get an assured price for Cashewnut sold to registered traders. | Difference between actual price and assured price of Rs. 125/- per kg. with a base price of Rs.105/- per Kg. limited to Max. 2000 kgs. in 5 ha. and Min. 50 kgs./ Year / farmer. | Assured price for Agriculture produce. (STATE) |
| 10 | Support for farmers to get an assured price for Oil palm, sold to M/s. Godrej Agrovvet Ltd. | Difference between price per tonne notified by GOPPMC and Rs. 9,000/ tonne of FFB / year. | Assured price for Agriculture produce. (STATE) |
| PRADHAN MANTRI KRISHI SINCHAYEE YOJANA (PMKSY) | | | |
| 1 | Assistance for Desilting and Revitalization of Ponds / Tanks | Assistance of 50% of the actual evaluated cost of the work. Limited to Rs.15,000/- per unit. | |

| | | | |
|---|----------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------|
| 2 | Assistance for Installation/ Replacement of Electric diesel Pumpset | Assistance of 50% of the standard cost for water pumping system limited to Rs. 15,000/- per unit. | Other Interventions - Per Drop More Crop under Pradhan Mantri Krishi Sinchayee Yojana (CENTRAL) |
| 3 | Assistance for Water Conveying Pipeline of 50 mm. & above. | Assistance of 50% of the cost limited to Rs.10,000/- per Ha. Maximum of Rs.50,000/- per farmer family. | |
| 4 | Assistance for construction of Water Storage harvesting activities for farmers group, ponds , Percolation Ponds, Tanks. | Assistance of 50 % of the standard cost for digging & construction of pond/polylining for storage of water for irrigation limited Assistance of Rs. 75,000/- for plain areas and Rs. 90,000/- for hilly/ western ghat area. | |
| 5 | Community pond, village Ponds, irrigation pond, Percolation ponds and water ponds . | 100% of cost limitd to Rs. 20 lakhs unit in plain areas Rs. 25 lakhs/ unit in hilly western ghat areas for 10 ha of command area or anyother subsidies in pro- rata basis depending upon the command areas. | |
| 6 | Construction of tube wells and open or dugwells . | 50% of the cost limited to Rs. 25,000/- per unit . | |

AGRONOMY/ CROPS Schemes

| | | | |
|---|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------|
| 1 | Availability of Quality certified seed made available for promotion of higher productivity & production of food grain crops for food security of the State. (paddy, pulses, groundnut). | 50% subsidy on seed limited for cultivation of max. 2 ha. Area. | Assistance for Quality/certified seed. (STATE) |
| 2 | Support for farmers in order to get an Assured Price for sugarcane crops. | Difference between Rs. 3000/tonne and actual price announced by SSSK Ltd. For Sugarcane produced in Goa and sold to SSSK Ltd. | Assured price for Agriculture produce. (STATE) |
| 3 | Support to farmers in order to get an Assured Price for paddy crop sold to authorized paddy procurement agencies. | Difference between actual price and Assured price of Rs.20 / kg limited to 5000 kg./ha. Max.7500 kg. and Min. 100 kgs/ farmer/season. | Assured price for Agriculture produce. (STATE) |
| 4 | Support for farmers in order to get an assured price for Alsando crops, sold to co- operative Societies. | Difference between actual price and Assured price of Rs. 100/- per kg. limited to max. of 800 kg and Min. 50kgs/farmer. | Assured price for Agriculture produce. (STATE) |
| 5 | Distribution of new & improved varieties seed of paddy, pulses & groundnut. | Seed kits given free of cost for trial . | Distribution of Seed Mini kits (STATE) |

| | | | |
|----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------|
| 6 | Free seedling of sugarcane of 1 month age are distributed free of cost. | Max. Assistance @ Rs. 5/seedling. 12,500 seedlings/ha. Max. 2 ha / farmer. | Establishment of Sugarcane Seed Farm(STATE) |
| 7 | Support for farmers to get assured price for Oil palm, sold to Godrej Agrovet Ltd. | Difference between price per MT notified by GOPPMC and Rs. 9000/- per MT of FFB. | Assured price for Agricultural produce. (STATE) |
| 8 | Salt resistant Paddy varieties | 100% subsidy on salt resistant paddy varieties . | Revitalization of Khazan land (STATE) |
| 9 | Promotion of Modified sustainable Sugarcane initiative | 50% Assistant limited to Rs. 10000/- per ha. towards land preparation and planting of new crop. | SSS Promotion of MSSI (STATE) |
| 10 | Promoting System of Rice Intensification (SRI). | Incentive @ Rs. 10000/- per ha. to improve rice productivity. Min. assistance 0.1 ha. | SSS Promoting improved technologies in food grain crops. (STATE) |
| 11 | a) Assistance for traditional fencing like barbed/GI wire, stone wall, GI or Synthetic Chain Link or Wire mesh to individual farmers/community farmers groups to save crops from domestic & Wild Animals. | 75% subsidy for general and 90% SC/ST category on actual or standard cost approval from time. Max. subsidy for individual farmers is Rs. 2.00 lakhs | Assistance for Fencing. (STATE) |
| | | In case of group of farmers jointly taking up fencing there is no ceiling on maximum. subsidy. | |
| | b) Assistance for Solar battery fencing . | 90% subsidy on actual or standard cost approval from time to time limited to max. of Rs. 2.00 lakhs per individual. | Assistance for Fencing. (STATE) |
| | | In case of group of farmers jointly taking up fencing there is no ceiling on max. subsidy. | |
| | c) Special fencing for small vegetable grower's cultivation even on Communitade land for 1 season. | Min 500 sq mt area . | Assistance for Fencing. (STATE) |
| | | 75%/90% of actual or standard cost approval from time to time limited to max. of Rs. 2.00 lakhs per individual farmers. In case of group of farmers jointly taking up fencing there is no ceiling on max. subsidy. | |
| 12 | Assistance to popularize time saving cultivation technique such as mechanized transplanter. | 50% subsidy limited to Rs. 1.00 lakhs. | Promoting improved technology (STATE) |

| | | | |
|----|---------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------|------------------------------------------|
| 13 | Assistance for Community Farming for : i)Joint Community Farming & ii)Loosely Amalgamated Community farming . | 90% assistance for : | Assistance for Community Farming (STATE) |
| | | a) Infrastructure – limited to Rs.2.50 lakhs per Ha. irrespective of area covered by farmers group. | |
| | | b) Assistance to purchase machinery after 1 st year of cultivation. | |
| | | c) Min.of 10 members in Community Farmers group (CFG) with total combined land holding more than 1Ha.area. | |
| | | d) CFG to register group with Directorate of Agriculture . | |

AGRICULTURE MECHANISATION Schemes

| | | | |
|---|----------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------|
| 1 | a. Assistance for purchase of Agriculture Machinery & Equipments to individual and group of farmers/NGO. | 50% subsidy of standard cost or actual cost whichever is less for purchase of Tractors, Mini Tractor, Power tiller & Mini tiller & 75% subsidy for purchase of standard cost or actual cost whichever is less for purchase of other approved agricultural machineries & equipment. | Promotion of Mechanisation In Agriculture. (CENTRAL & STATE) |
| | b. Assistance for purchase of implements/attachment. | Subsidy of 50% of actual cost or standard cost whichever is less. | |
| 2 | Assistance for tilling, ploughing the soil for cultivation with appropriate machineries. | 50% subsidy of standard hire charges of agriculture machinery while booking Government machinery & those from registered service providers of agricultural machineries enrolled with the department. | Modified scheme for Custom hiring service in Agriculture (STATE) |
| 3 | Assistance for Paddy Transplanting using machineries. | Subsidized amount of Rs. 15,000/- ha (50% subsidy on Rs. 30,000/-) for individual & subsidy of Rs. 18,000/- ha, (60% subsidy on Rs.30,000) for collective transplanting. | Modified scheme for hiring service in Agriculture (STATE) |
| 4 | Assistance for Removal of shrubs, bushes, weeds by using power driven machine/manual. | Rs. 15000/hac or 50% cost whichever is less. | One Time Assistance for removing shrubs, weeds/bushes etc.(STATE) |

| PLANT PROTECTION Schemes | | | |
|---------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------|
| 1 | Supply of pesticide to manage seed borne pest & diseases affecting crops. | Supply of pesticides free of cost for seed treatment. | Crop Protection in Agriculture. Assistance for seed treatment. (STATE) |
| 2 | For promoting Integrated Pest Management Assistance on purchase of pesticides/Bio-pesticides/weedicides to protect crops. | 75% subsidy limited to Rs.4500/ha. for general category and 90% subsidy to ST/SC farmers limited to Rs.5400/ha. for a max. of 4.00 ha. area | Assistance for Integrated Pest Management (STATE) |
| 3 | Assistance for purchase of plant protection equipment for protection of crops like sprayers. | 75% subsidy for General and SC/ST | Crop production and Input Management Mechanization in Agriculture.(STATE) |
| DEVELOPMENT OF MANURES & FERTILIZERS schemes | | | |
| 1 | Soil sample analysis from farmers fields for major /minor nutrients. | Free of cost. | Analysis of Soil samples |
| 2 | Promotion of non-conventional sources of energy. Construction of Biogas Units. | 90% subsidy against standard cost as per the size of biogas plant. | Assistance for construction/installation of Biogas plants (CENTRAL / STATE) |
| 3 | Promotional incentives for promotion of Biogas is payable to field/staff farmers involved in motivation of target group. | Rs.1000/- per plant completed and commissioned. | Incentive for promotion of Biogas Units (STATE) |
| 4 | Assistance on purchase of soil conditioners/ Agriculture lime for improvement of Soil Health. | 75% subsidy limited to Rs.6000/- per ha. to all categories of farmer. Maximum upto 4 ha per farmer. | Assistance for use of soil conditioner (STATE) |
| 5 | Assistance on purchase of micro nutrients like Boron, Magnesium Sulphate, and other notified micro nutrients. | 75% subsidy limited to Rs.7500/- per ha. to all categories of farmer. Maximum upto 4 ha per farmer. | Assistance for use of Micro- nutrients (STATE) |
| 6 | Assistance for Compost production through portable/ Pucca units. | 75% subsidy limited to Rs.1950/- per cubic mts to all categories of farmer. | Assistance for construction/ installation of Organic Manures Units (STATE) |
| | | 90% subsidy on standard cost for portable unit max. 3 units & max. amount Rs. 7500/- per farmer. | |
| | Assistance for Vermi-Compost | 75% subsidy limited to Rs.1950/- per cubic mts to all categories of farmer. | Assistance for construction/ installation |

| | | | |
|---|----------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|-----------------------------------------------------------|
| 7 | production through portable/ Pucca units. | 90% subsidy on standard cost for portable unit max. 3 units & max. amount Rs. 7500/- per farmer. | CONSTRUCTION/ INSTALLATION of Vermi-Compost Units (STATE) |
| 8 | Assistance to SC/ST for purchase & use of various Agriculture inputs like seed, planting material, fertilizers, pesticides, etc. | 75% subsidy limited to Rs.12000/- per ha. maximum limit 2 ha. | Assistance for Agriculture inputs (STATE) |

SOIL AND WATER CONSERVATION Schemes

| | | | |
|----|-------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------|-------------------------------------------------------------------|
| 1 | Assistance for Desilting & renovation of water bodies like ponds, tanks, etc, upto 500 sq. mts. | 100% subsidy as per GSR or maximum of Rs.70,000/- per ha. of area benefitted. | Desilting & Revitalization of Ponds & Tanks (STATE) |
| 2a | Support for Dry land Horticulture and cultivation of Medicinal plants. | Maximum of Rs.5000/- per ha. | Western Ghat Development Programme, Production Programmes (STATE) |
| b | Establishment of Agro processing units and traditional art & crafts production unit. | 50% subsidy of standard cost limited to Rs.30000/-per unit. | |
| c | Conservation of soil & water through land development on the basis of slope. | 50% subsidy of cost limited to standard costs. | |
| d | Assistance for Soil Conservation Structures: Bank Stabilization. | 50% subsidy of fixed standard cost, maximum 500 Rmts. | |
| e | Assistance for Soil Conservation. Structures: Drain diversion dug out ponds, gully control. | 50% subsidy of the actual cost of the work as per GSR. | |
| f | Crescent shaped structure for water conservation . | Rs. 25/- per trench, maximum 1000 trenches per farmers. | |
| g | Organizing Promotional meetings for farmers. | Maximum Rs. 20/- per participants. | |
| h | Organizing one day training programme for farmers. | Maximum of Rs.200/- per participants, maximum 50 farmers. | Western Ghat, Development Programme, Basic activities (STATE) |
| i | Krishi Mahotsav to display advances in Agriculture. | Rs.1.25 lakhs per Mahotsav for 500 farmers. | |

SOIL CONSERVATION DIVISION Schemes

| | | | |
|---|--------------------------------------------------------------|----------------------------------|----------------------------------------------------|
| 1 | Repairs to notified protective bund protecting khazan lands. | 50% Subsidy, Maximum Rs.6000/ha. | Assistance for protection of Khazan lands. (STATE) |
|---|--------------------------------------------------------------|----------------------------------|----------------------------------------------------|

| | | | |
|--------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------|
| 2 | Repairs to notified protective bund protecting khazan lands. | Works executed at 100% Government Cost and 50% expenditure incurred is recovered in 10 annual installments with 6% interest. | Assistance for protection of Khazan lands. (STATE) |
| 3 | Repairs to notified protective bund protecting khazan lands. | Works executed at 100% Government Cost and 10% expenditure incurred is recovered in 10 annual installments with 6% interest. | Assistance for protection of Khazan lands. (STATE) |
| OTHER CENTRAL / STATE INTERVENTIONS | | | |
| 1 | Funding for allied sectors of Agriculture including Animal Husbandry, Dairy, Fisheries, Co. op Research, Registered Farmers Groups, Societies, NGO's, Private Companies on PPP mode for production, growth development of infrastructure & assets. | 100% for Govt based projects and 25% for others . | Rashtriya Krishi Vikas Yojana with 60:40 % (CENTRAL & STATE) |
| 2 | 10 essential vegetables and 5 essential commodities are subsidized and supplied. | Subsidized vegetables, commodities are supplied to common consumer. through GSHC Ltd. Outlets.@ 2kg/day/person. | Govt. Intervention for Control of Price Rise.(STATE) |
| 3 | Registration of farmers for efficient delivery of services, with a classification of their respective Land holding. | Krishi Cards are provided free of cost. | Krishi Card.(STATE) |
| 4 | Interest subsidy on loans for Agriculture, Animal Husbandry & Fisheries. | 4% Interest Subsidy for farmers availing loans upto Rs.5.00 lakhs and below for a maximum period of 5 years for individual beneficiary. | Interest subsidy on loans for “ Agriculture & Allied Activities” (STATE) |
| 5 | PM - Kisan Scheme | Rs. 6000/- per annum for land owning farmers (resrticted as per scheme guidelines) Quaterly Rs 2000/- | Pradhan Mantri Kisan Samman Nidhi (CENTRAL) |
| 6 | Compensation to farmers whose crops are affected due to natural calamities, wild animals and other damages as notified. | Compensation as per standard cost fixed for each crops limited to max. of rs.1,00,000/- | Shetkari Adhar Nidhi (STATE) |

TRAINING & EXTENSIONS FOR FARMERS

| Human Resource Development in Agriculture | | | |
|-------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------|
| 1 | Study tour for farmers, extension officers, policy maker etc , outside the State for 5-6 days for studying new practices, capacity building and exposure . | Rs. 800/day towards TA/DA, and 3 tier AC fare/equivalent per participant. | Study Tour of Farmers Outside the State. (STATE) |
| 2 | To conduct e Workshop /Exhibition/ Seminars / Krishi Melas on various issues of Agriculture and allied Sector by Department ,NGO, Farmers' Club etc. | Department will conduct various Workshops, Seminars, Krishimelas, Krishi Mahotsavs, etc for the farming community. 50% cost upto Rs. 5.00 lakhs if the same is sponsored (NGO/Farmers Group, etc). | Workshop /Exhibition/ Seminars / Krishi Melas. (STATE) |
| 3(a) | 17 Goan Students are given financial support for undergoing degree courses in Agriculture & allied fields at DBKKV, Dapoli. <hr/> Agriculture -- 11 seats <hr/> Horticulture -- 4 seats <hr/> B. Tehnology -- 2 seat | Stipend of Rs. 3000/- month/student and Rs.40, 000/ year per student paid to the University for a maximum of 4 years provided they pass out satisfactorily each year. | Support for Education in Agriculture.(STATE) |
| (b) | Post Graduation M.Sc (Agri / Hort) for Goan students. | Stipend of Rs. 3000/month/Student for a maximum of 2 years provided they pass out satisfactorily each year. | Support for post graduation (M.Sc (Agri/Hort.) (STATE) |
| 4 | Incentives to encourage farmers every year on the occasion of Goa Liberation day in the field of Agriculture and Allied Activities and Pure Organic Farming. | Cash Prizes | State Agriculture Awards (STATE) |
| | | Krishi Ratna --- Rs. 2.00 lakhs | |
| | | Krishi Vibhushan- Rs.1.00 lakhs | |
| | | Krishi Bhushan- Rs. 0.50 lakhs | |
| | | Late Fr.Inacio Almeida Memorial Award for Best Organic Farmer- Rs. 0.50 lakhs. | Special Agriculture Award. |
